RHUBARB & GINGER

Fresh rhubarb is spiked with ginger and infused with our classic Edinburgh Gin. The rhubarb and spiced ginger are left to steep, allowing for the complex flavours to marry together.

A refreshing vodka based cocktail, blended with peach liqueur, cranberry juice and complimented by a citrus hit of lemon, lime & orange. This cocktail is perfect during the summer months however it is a delight at The Wool Tower all year round.

LONG ISLAND ICED TEA

A Long Island iced tea is a type of alcoholic mixed drink typically made with vodka, tequila, light rum, triple sec, gin, and a splash of cola, which gives the drink the same amber hue as its namesake, definitely one of our favourites.

PIMMS

Pimms is a brand of gin-based fruit cup, but may also be considered a liqueur.

It was first produced in 1823 by James Pimm and has been owned by Diageo since 1997. Its most popular product is Pimms No. 1 Cup. Served just how you like, ice cold on a warm summer's day, enjoying our stunning grounds and taking in your surroundings.

MOJITO (RASPBERRY MOJITO)

Traditionally, a Mojito is a cocktail that consists of five key ingredients: white rum, sugar (traditionally sugar cane juice), lime juice, soda water, and mint. Its combination of sweetness, citrus and herbaceous mint flavours is intended to complement the rum served either traditionally or adding fresh raspberries and an infused raspberry liqueur.
